Exchange Zone #1 Mile 6.5 (Water stop D) – Corner of Victoria Blvd and Kristy (Buscher Park)

- Please Park on Victoria and Woodhaven and walk to the exchange zone to avoid runners.

Exchange Zone #2 Mile 13 (Water Stop G) – Monks and Hwy 90 – on the trail

- Runners will be on the West shoulder of the road.

Exchange Zone #3 Mile 20.25 (Water Stop L) – Blue Earth County Rd #1/Hickory Ln (T-155)

- Runners will be on the north side of the road.

Each relay member will receive a bib, but the first runner will have the chip – **you will need to exchange the belt at each exchange zone.**

- Attach the first runner's race bib with the timing chip to the race belt.
- Do NOT bend the timing chip.
- The race bib with the chip and the belt will be the item transferred from one runner to the next to get a finishing time.
- Runners 2-4 need to wear the other bibs provided on the back of their shirt to indicate they are a relay runner. Therefore, the active runner after runner 1 will have a bib on the race belt positioned forward and a bib on the back of their shirt. The numbers are also for your team to collect food and goodies at the finish line.
- The race belts must be returned at the finish line.

There will be a timing mat at each exchange zone that will allow your team members to receive your racing splits.
